- (c) The Seller reserves the right to amend prices and invoice the Goods at the Sellers price current at the day of despatch unless firm prices for a specified period including such date of despatch have been stated in the confirmation.

3. DELIVERY

The times given for delivery and completion are to date from the receipt by the Seller of the Buyers written order and of all the necessary information to enable the Seller to put work in hand, the Seller to use its best endeavours to keep to the dates given but the Seller shall not be held liable for failure to do so unless a guarantee shall be given to complete within a specified time. Each instalment of materials deliverable or delivered under the Contract shall be deemed to be sold under a separate contract and any default by the Seller to deliver any such instalment shall not entitle the Buyer to reduplicate the Contract with regard to any instalments remaining deliverable. Should the Seller be prevented from delivering any material at the time provided for delivery through the Sellers inability to secure labour or materials or by reason of lockouts, strikes, riots, fires, accidents to machinery, war or any other unexpected or exceptional cause (whether in for foregoing class or not) the time of delivery shall be extended until the lapse of a reasonable time after the causes preventing deliver have ceased to operate: alternatively the Contract may at the Sellers options be annulled any notice in writing to the Buyer.

Unless specially agreed in writing to the contrary the Buyers shall not be entitled to terminate the Contract on the ground of delay howsoever caused nor to claim damages or compensation in respect thereof.

4. NOTIFICATION OF LOSS OF, DAMAGE TO, OR NON-DELIVERY OF GOODS

The Seller will repair or at its options replace free of charge or compensate for Goods lost or damaged in transit provided that the Buyer advises the carrier and the Seller in writing (otherwise then by a qualified signature and the carriers delivery note) within the following time limits –

The Seller will decline to entertain claims unless the Buyer complies within the provisions of this Condition.

5. DELIVERY AND TITLE

- (a) The risk in the Goods including responsibility for unloading, will pass to the Buyer on delivery.
- (b) Title to the Goods shall not pass to the Buyer until:
 - (i) the Seller receives payment in full (in cash or cleared funds) for the Goods in which case title to the Goods shall pass at the time of payment; or
 - (ii) the Buyer resells the Goods, in which case title to the Goods shall pass to the Buyer at the time specified in clause 5(d).
- (c) Until title to the Goods has passed to the Buyer, the Buyer shall:

 - (B) it suspends, threatens to suspend, ceases or threatens to cease to carry on all or a substantial part of its business; or

 - (D) the Goods; and
 - (E) the ongoing financial position of the Buyer.

- (d) Subject to clause 5(e), the Buyer may resell or use the Goods in the ordinary course of its business (but not otherwise) before the Seller receives payment for the Goods. However if the Buyer resells the Goods before that time:
- (i) it does so as principal and not as the Seller's agent; and
 - (ii) title to the Goods shall pass from the Seller to the Buyer immediately before the time at which the resale occurs.
- (e) At any time before title to the Goods passes to the Buyer, the Seller:
- (i) may by notice in writing, terminate the Buyer's right under clause 5(d) to resell the Goods or use them in the ordinary course of its business; and
 - (ii) require the Buyer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product and if the Buyer fails to do so promptly, enter any premises of the Buyer or of any third party where the Goods are stored in order to recover them.

6. PAYMENT AND TERMS

Payment shall be in accordance with the terms of the quotation subject to trade and/or bank references being furnished by the Buyer to the Sellers satisfaction. Unless specifically stated the Seller does not in any way warrant any material or its quality condition or sufficiency for any purpose and the Seller shall not be liable for any damage of whatsoever kind howsoever or wheresoever arising whether in respect of original or replaced materials and the Sellers undertaking to replace as above is to be their only liability.
- (b) The Seller will not repair or replace free any Goods found to be defective through faults in the design or construction of patterns or drawings supplied by the Buyer.
- (c) The Seller shall not be liable to replace or repair Goods not of its manufacture and the Buyer shall only be entitled to such rights as the Seller may receive and be able to enforce upon the actual manufacturer.
- (d) All heat treatment is carried out at customer's risk and the Seller cannot be held responsible for any damage or consequential loss.

8. TESTING

Where material and Goods are supplied subject to inspection or testing by the Buyer and passed by the inspector appointed they shall not thereafter be returnable and no complaint relating to such material or Goods will thereafter be entertained by the Seller.

9. PACKING

Goods will be despatched loose except when the Contract expressly includes packing. Where Goods are despatched in returnable containers the Buyers shall pay the cost of carriage back to the Seller Works.
